

Santa Maria Valley Railroad

APPLICATION – RIGHT OF ENTRY

(Please allow 30-45 days for processing)

APPLICATION FEE:

A non-refundable fee of \$1,000.00 is due with the submission of this application. If a rush application is required, the fee is \$2,000.00.

This application fee does not include any fees for: (a) special handling, (b) engineering review, (c) document preparation, (d) rents, (e) Railroad Protective Insurance, (f) preparation of estimates, (g) flagman/watchmen costs/expenses or (h) construction costs incurred by the railroad. Payment of all additional fees due prior to occupation.

No work on the railroad's property may proceed until Applicant is in receipt of a fully executed Right of Entry Permit and has received authorization from the railroad's engineering representative. No verbal approvals are granted or implied.

Once the application is approved, a right of entry permit will be granted. If the right of entry permit needs to be extended beyond 30 days, additional fees will apply.
